

SPRINTEX SUPERCHARGED MITSUBISHI MAGNA VR-X AWD

The all new Sprintex Supercharged Mitsubishi Magna VR-X AWD, developed independently by AAC/Sprintex, delivers new levels of performance to the AWD Magna, 225kW of power and 422Nm of torque. The subtle whistle under acceleration, which becomes almost tuneful, announces to the driver that this is no ordinary AWD Magna

The high efficiency low-boost Sprintex twin-screw supercharger delivers instant torque from idle to the driver.

To further enhance the already excellent chassis and handling dynamics of the standard AWD Mitsubishi Magna, Sprintex has fitted cold air intakes, revised performance, enhanced suspension, new rear valance profile, stainless steel mesh grills, high-flow twin exhaust, custom embossed leather interior and 18-inch alloy wheels with high performance tyres.

SPECIFICATIONS

ENGINE	3.5 litre, V6, SOHC, 24-Valve, supercharger
POWER	225kW @ 5250 rpm
TORQUE	422NM @ 4100 rpm
FUEL	Premium Unleaded
FUEL TANK CAPACITY	65 litres
FUEL ECONOMY (TESTED)	13.5 litres/100km
TRANSMISSION	5-speed auto, sequential
DRIVE	Constant 4WD, rear limited-slip differential
SUSPENSION	Front.....MacPherson struts
	Rear.....multi-link, trailing arms
BRAKES	.4-wheel vented disks, ABS, EBD, Traction control
TURNING CIRCLE	11.2m
WHEELS	18-inch alloys, 235/40ZR18 tyres
LENGTH	4860mm
WIDTH	1785mm
HEIGHT	1392mm
WHEELBASE	2722mm
TRACK	Front.....1545mm
	Rear.....1535mm
WEIGHT	1700kg

POWER AND TORQUE CURVE FOR SPRINTEX MAGNA VR-X AWD
